

PRESENTER CLOSING: _____

Let us join hands in a circle of Continental Sisterhood and sing our song.

Continental women we shall always be
Charity the forward you can plainly see
We keep forever watchful
With an eye so keen
We strive to aid the needy
As a charity team.

Continental Women we shall always be
Respect for one another and humanity
High ideals we stand for as we go along
Enriched with charitable gestures
And a heavenly song.

With outstretched hands we seek those
In our land so dear
Desiring understanding and a word of cheer
We love you Continentals
For your love and care
May God be with us always
Teaching us to share.
